परिपत्र/CIRCULAR

Based on the recommendations made in the 121st meeting of the Governing Body of NCSM held on 03.01.2019, it has been decided to explore the possibility of donating unserviceable exhibits to schools for the benefit of students instead of auctioning the same as scrap after writing off from the books of accounts. It is, therefore, requested that necessary action may please be taken by the Directors of all national level Science Museums/Science Centres under NCSM in the matter.

This issues with the approval of DG, NCSM.
