Sub: Implementation of National Education Policy, 2020 in NCSM

The Governing Body, NCSM in its 128th meeting held on February 16, 2021 through videoconferencing, suggested, vide Agenda Item No.128.3, that actionable points of the National Education Policy (NEP), 2020 may be implemented in NCSM units in phases. For this purpose, it was also suggested that a national level Webinar may be organized by inviting Education Minister as Chief Guest for apprising him on the ongoing activities of NCSM which are related to NEP, 2020.

It was also suggested that more emphasis may be given on traditional Indian knowledge system, regional craft activities and traditional water harvesting system. Small institutes may be tagged with NCSM for effective implementation of the policy and separate funding from Ministries may be sought for the purpose of implementation.
